Sir,

This has reference to the Blood Donation Camp that we had organized at the Raj Bhavan, Gandhinagar on 2nd February 2018 in connection with the birthday celebration of Hon. Lady Governorshri.

It is pertinent to mention here that your institute had been instrumental in bringing the maximum number of voluntary blood donors during the event, thus making it a grand success. Hon. Governorshri was pleased to take note of this and had expressed his pleasure at this.

We express our sense of gratitude for your relentless service in this direction. We also expect similar enthusiastic response from you in future as well.

Yours faithfully,

(Arvind Joshi)

Principal Secretary to the Hon. Governorshri
